Evaluation Tool - Performance Issues & Sequence Check

Verify any performance issues with the primary Evaluator. As the team performs, follow along with the prescribed drill sequence. As the team performs each command, tick the ✓ column. If the team MISSES a movement, tick the X column. If the team misses a command, they should continue to the next valid command rather than returning to perform any missed commands. If the team adds a command, indicate where using a "+" between commands.

Too Few Cadets YES / NO
 Unauthorized Uniform YES / NO
 Other Issue: _____ YES / NO
